Lausanne is in the heart of Europe, just 40 minutes from Geneva International Airport, situated by Lake Geneva and renowned for its pleasant way of life. This city seduces both business travelers and tourists alike. The capital of the canton of Vaud is part of the second fastest-growing economic region in the country. It is home to a large number of multinationals, more than 50 international sport federations and a multitude of start-ups, vocational schools and prestigious research centers. State-of-the-art infrastructure in keeping with the city’s long-term commitment to sustainable development. Lausanne lends itself to trips by public transport, on foot or by bicycle. The surrounding area is similarly conducive to walks in the forest and in vineyards listed as UNESCO World Heritage sites. Don’t miss the opportunity to join the conference and spend some unforgettable moments discovering our region!

EPFL is Europe’s most cosmopolitan institute of technology with students, staff and professors from over 120 nations. A uniquely dynamic environment, open to Switzerland and the world, EPFL is centered on its three missions: teaching, research and technology transfer. EPFL works together with an extensive network of partners including other universities and institutes of technology, developing and emerging countries, secondary schools and colleges, industry and economy, political circles and the general public, to bring about real impact for society.
